The third annual City of New Orleans and the Greater New Orleans Pest Control Association Termite Academy will be held in New Orleans November 2–4. This three day Academy will offer comprehensive and in-depth information regarding termites and wood destroying organisms and is accredited by the Louisiana Structural Pest Control Commission. The Academy will place emphasis on field training and insect identification. In order to provide hands-on training, the class size is limited to 30 registrants. The Academy will include presentations by industry leaders and university experts. The Academy will apply towards LDAF technician recertification.
